AND/OR

Play to your strengths! We need volunteers with specific skills to help out with programs and projects this summer, so select which of these roles you think you can fill. You can select one, all, or anything in between - either the Teen Librarian or the SAIL Coordinator will contact you to discuss scheduling.

This is a great way to earn extra hours while doing something you enjoy.

- Socializer:** Outgoing people who will help out at programs and aren't afraid to talk to anyone and everyone.
- Creative and Crafty:** Calling all artsy types! There will be opportunities both working with people and working behind the scenes.
- Tech Expert:** Provide answers when people have questions about technology. Ranges from general help to assisting at device-specific classes to working independently to digitize information.
