

TAB TEENS SPEAK OUT

“The Teen Advisory Board gives teens something positive to do and to look forward to”

“Dude, who knew the library was so fun? There’s all kinds of cool stuff to do here”

“I enjoy volunteering at the library. I give up a couple hours that would otherwise be spent in front of the TV. It makes me feel good to give back to my community”

“I got to design a poster about teen problems. It was awesome”

“TAB is a good opportunity for community involvement as well as a beneficial life experience”

“I started coming for the people and video games and stuff, but now I come because it’s way cooler than my house”
