

a working trip to Hungary, life is hilarious, but far from normal. Amid the magic, mysteries, and oddities of the travelling GothFaire, Fran meets Benedikt, a vampire who insists that Fran is the key to his soul's redemption.

### **In the Forests of the Night**

Amelia Atwater-Rhodes . . . . .YA Atwa  
Risika was a teenager transformed against her will into a vampire more than 300 years ago. Now she hunts at night while plotting revenge against her twin brother's killer. Atwater-Rhodes was only 13 years old when this accomplished novel was published.

### **Night Road**

A.M. Jenkins . . . . .YA Jenk  
Cole is a hemovore, which means he must drink blood and avoid sunlight in order to survive. Cole agrees to accompany two others of his kind on a road trip to help a newly created heme learn to accept and cope with his new way of life.

### **Peeps**

Scott Westerfeld . . . . .YA West  
Because Cal is parasite positive, a 'Peep', he carries an infection that causes vampirism. With new super-human powers, he joins the Night Watch to hunt the insane, killer Peeps who are full-blown Vampires.

### **The Silver Kiss**

Annette Curtis Klause . . . . .YA Klau  
Zoe has plenty of difficulties in her life: her mother has terminal cancer and her father is shutting her out. Simon's problems have been building for 200 years, ever since a bite from his brother Christopher turned him into a vampire. Together, Zoe and Simon try to stop Christopher's murderous rampage, in this suspenseful novel of romance and terror.

### **Sweetblood**

Pete Hautman . . . . .YA Haut  
Sixteen-year-old Lucy is an insulin-dependent diabetic with a theory that vampires throughout history were actually people like her, living and dying before modern medicine was available to treat their symptoms. As one of the 'undead,' Lucy's mood, behavior, and wardrobe grow darker each day.

### **Tantalize**

Cynthia Leitich Smith . . . . .YA Smit  
Orphaned Quincie and her uncle Davidson are gearing up for the grand reopening of the family restaurant – renovated with an edgy vampire theme. A string of brutal murders, with the evidence pointing to Quincie's half-werewolf boyfriend, and a new vampire chef that seems oddly suited for the job, may mean death to more than just their business plan.

### **Thirsty**

M.T. Anderson . . . . .YA Ande  
In this dark comedy, Chris thought his worst problem would be getting up the nerve to ask Rebecca for a date, until he notices he's turning into a vampire. While struggling to control his blood lust, he agrees to help Chet the Celestial Being foil the Vampire Lord's plot to use humankind as a reliable food-supply for a vampire army.

### **Trinity Blood (series)**

Sunao Yoshida . . . . .YA Yosh  
A trio of unlikely warriors fights for humanity against vampire alien domination. Abel Nighthead, a priest sent from the Vatican; Esther, a nun from the city of Istavan; and Tres Iqus, code name 'Gunslinger' an anti-vampire machine; make a formidable team. Humanity itself is at stake in this gothic-action Manga series.

### **Twilight**

Stephanie Meyer . . . . .YA Meye  
Although the beautiful and powerful vampires in Edward Cullen's 'family' deny their desire for human blood, it is still very risky behavior for Bella, a human teenage girl, to be involved with Edward. Nevertheless, they are undeniably drawn to each other in this unusual story of first love. When a vampire who hunts for sport chooses Bella as his prey, the power of the entire Cullen clan is needed to protect her. New Moon, Eclipse, and Breaking Dawn continue the romantic saga of Bella and Edward.

### **Uninvited**

Amanda Marrone . . . . .YA Marr  
In a nightly ritual ever since his funeral, Jordan's ex-boyfriend Michael shows up at

her window trying to convince her to let him in. While she's aware of the danger of trusting a vampire, Michael's powers of persuasion, and her own depression, are wearing her down. Jordan's tendency toward risky behavior is testing her already tenuous sense of self in this gripping novel of power and fear.

### **V is for Vampire: The A - Z Guide to Everything Dead**

David J. Skal . . . . .YA 398.45 Skal  
All of vampirism cannot fit into one volume, so this book is not the comprehensive reference the title implies. Instead, it is a fun and useful source to sample a wide variety of vampire lore and connections in history, literature, film, and popular culture.

### **Vampire Academy**

Richelle Mead . . . . .YA Mead  
After two years on the run, Vampire Princess Lissa, and her half-human guardian Rose, are sent back to St. Vladimir's Academy, where the terrors of gossip, pranks, and cliques are added to the dangers of powerful, evil enemies. In the sequel Frostbite, Lissa and Rose face more social pitfalls and sinister vampire attacks on a school ski trip.

### **Vampire Game (series)**

Judal . . . . .YA Juda  
Duzell, the Vampire King, was destroyed in battle with the good King Phelios. With his dying breath, Duzell vowed that in one hundred years, his reincarnation would seek revenge upon the reincarnation of King Phelios. The century has now passed, and Duzell is back – as a cuddly house kitten adopted by Phelios' bratty teenage granddaughter, Princess Ishtar. Packed with comedy, action, and fascinating characters, this Manga series is sure to please fans of unusual vampire fiction.

Vampire Books  
for Teens

### **Dangerous Girls**

R.L. Stine . . . . .YA Stin  
Sixteen-year-old twins Destiny and Livvy get more than they signed up for from their summer camp counselor jobs. They return home partially transformed into vampires and must search for a cure before it's too late.

### **Demon in my View**

Amelia Atwater-Rhodes . . . . .YA Atwa  
Jessica is a high-school loner who writes vampire stories. Aubrey, one of her most sinister characters, walks out of the page and into her life, as Alex, a new student in her school. Jessica needs to learn if Alex/Aubrey is attracted to her, or out to punish her for revealing the secrets of his dark world.

### **Evernight**

Claudia Gray . . . . .YA Gray  
Bianca doesn't fit in at Evernight, an eerie boarding school full of beautiful snobs. She and Lucas, another outsider, are drawn toward each other, but their romance soon becomes complicated by something more sinister than spooky corridors and mean classmates.

### **Got Fangs?**

Katie Maxwell . . . . .YA Maxw  
Fran wants to blend in and have a normal teenage life despite her supernatural abilities, but when accompanying her mother on
