### **Search for, Check Out and Download eBooks**

Find books by browsing Shelves, using the Categories tab, or by typing an author name, title, or keyword in the Search box. *[You can check out 3M eBooks from the Ocean County Library catalog, but you will still need to download them on your device using the 3M app.]*

Once you find a book, tap 'Check Out.' The book downloads and opens automatically. It can be accessed again from the My Books tab within the 3M Cloud App.

The book expires in 21 days. To return it early, click the My Books tab, press List View, tap the book cover, then tap 'Check In' and 'Return book.'

If the book is not available, click 'Add to Hold List.' To receive email notification when the item becomes available, enter your email address at the pop-up window. If no pop-up appears, go to My Books, then Account Profile. Select 'Yes, notify me' and type your email address. Click Save. Open a new window in your browser and check your email. Open the email from 3M and click the email verification link. Once notified by email, **you have 72 hours to check out the book.**

For technical assistance, tap the Nook menu icon, then the Information (i) button and 'Library Support.'
