

Ocean County Library

Home Borrowers Service

Like to Read?

The Ocean County Library will bring regular and large print books or books on CD to you for FREE!

We have volunteers who enjoy sharing their love of reading and will visit you on a regular basis to bring materials you have requested or those the volunteer suggests. For some life care centers, we have regular delivery service. In either case, call 732-349-6200, ext. 5530 for additional information or fill out the information below and mail it back to us.
