Please join us in WELCOMING our new branch librarian, Cindy Simerlink. Cindy is “native of Dayton, Ohio, recently transplanted to Little Egg Harbor when her husband was recruited for a new job in Atlantic County. She has worked for a year in the Little Egg Harbor branch as the teen librarian, a job she sincerely enjoyed. But being a branch librarian is more in line with her credentials as she has a master’s degree in library science. In Dayton she was responsible for training the 400 employees of the Dayton library system in software applications. Three weeks ago she was promoted to Tuckerton when that position opened up. “I really enjoyed working with the teens and it’s sad to be leaving them, but I was ready to develop a new set of skills,” she said. While at Little Egg, Simerlink would go to the junior high school once a week in the lunchroom and be available to suggest books and also check them out. “I love to connect people with books. “I told the teens they could always visit me at the Tuckerton Library.”
