## January's Featured Resources

Get your vehicles, snowblowers, and snowmobiles ready for the winter season with two great repair databases. A handy resource for the DIY person in your life. These and all our databases are free to use with your library card.

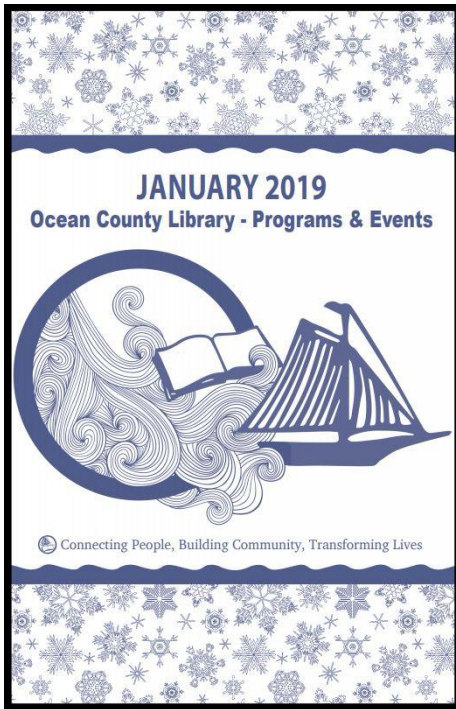

**Chilton Library** provides automobile maintenance, step by step repair instructions, vacuum and wiring diagrams, recall notices, and more for the do it yourself car buff or auto mechanic. Also included decades of information from Chilton's Auto Repair manuals for American and Foreign cars.

**Small Engine Repair Reference Center** provides engine repair information for marine and boat motors, personal water craft, ATVs, chainsaws, snow blowers, lawnmowers, leaf blowers, tillers, snowmobiles, motorcycles, and tractors. Inboard and Outboard wiring diagrams from 1956 to 1989 for marine engines.
