

**THIS IS MY LIBRARY.**

In my library, I  
can read books.

I can play games  
on the  
computer.

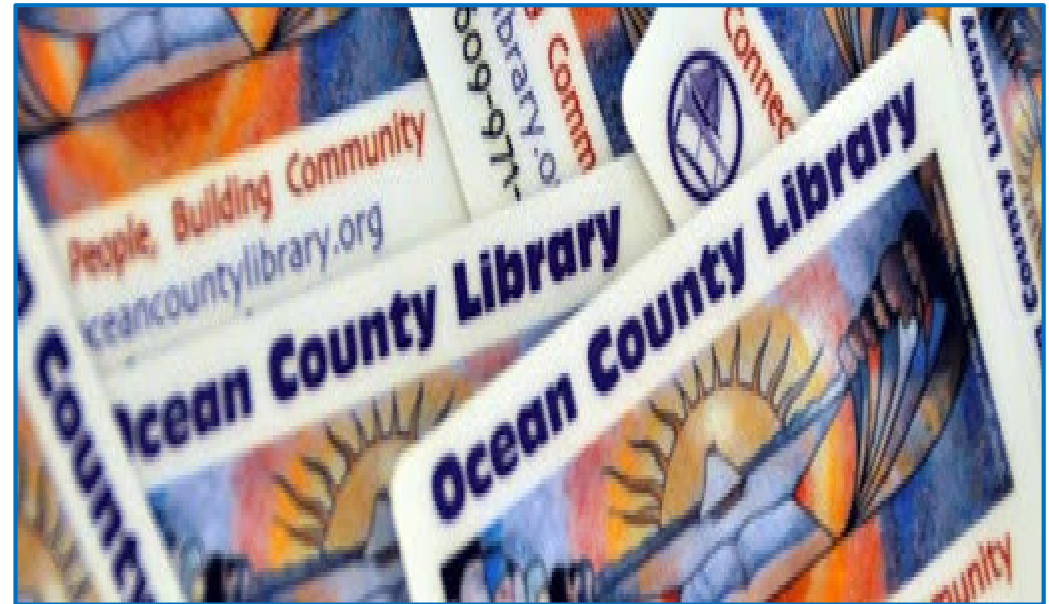

I can use the  
computer to  
learn new  
things.

I can listen to a librarian read a story.

And I can get my  
own library card!  
I can use my  
library card to  
borrow books and  
movies.

It is fun to visit the library! I can't wait to come back!
