

Quick Guide

The New Jersey State Library’s Axis360 e-book platform is now available to all public libraries in the state. Funding is through a CARES Act grant awarded to the NJ State Library by The Institute of Museum and Library Services. This collection and website is maintained by the NJ State Library.

On a Computer:

- The platform can be found here: oceanco.axis360.baker-taylor.com. A link will be added to the “Books and More” tab on our website and to the eBooks section of the mobile app.
- Login with a valid OCL library card number (less than \$25 in fines/up-to-date registration)
- Borrowers can have up to 3 items checked out at any given time
- Loan period is 14 days
- Borrowers can have up to 5 active holds at a time
- eBooks only

CHECK OUT & READ A BOOK IN AXIS 360 READ NOW

- 1.** Browse your library’s Axis 360 website or use the magnifying glass to look for a specific title.
- 2.** Select **Checkout** from your search results page or from the title details page.
- 3.** Select **Read Now** to open your book in a new tab to begin reading.
- 4.** You might need to enable pop-ups. (the screenshots above are from Chrome; enabling pop-ups might vary by browser.)
- 5.** Your book will open and you are ready to read! To navigate, use the arrows on either side of the screen or use your forward and back arrows.
- 6.** Hovering your mouse near the top of the book will bring up the tools menu. Use the tool icons on the right to change font, highlight passages or bookmark locations in the book.
- 7.** Use the menu on the left to navigate to a specific section or access offline reading functionality (see reverse for offline reading).

1. **OFFLINE READING WITH AXIS 360 READ NOW**

2. Select Offline Access to download the book contents.

3. You will get a Success message.

4. You are then brought back to your book.

5. When accessing a bookmark offline, you will be prompted to enter your **Library ID**.

6. To switch titles, go to the menu and select **Offline Content Library**.

7. You will view a list of titles you have downloaded for offline access.

On a Device:

- Download the Axis 360 app
- Login with a valid OCL library card number (less than \$25 in fines/up-to-date registration)
