---

The Ocean County Library system makes every effort to provide access to our programs for people with disabilities. Please call your local branch prior to attending the program for special arrangements. All activities pose a degree of risk. We urge you to talk to your physician before beginning any exercise program and to be especially careful if you have any health issues. If you experience any pain or discomfort associated with any activity, you should stop immediately to prevent injury.

Please see our event guide (http://bit.ly/OCLEventGuide) for more information on how to access these virtual programs.
