Teens, Expand Your Horizons in Ocean County Library’s 2024 S.A.I.L. Program

TOMS RIVER – Attention teens: The perfect opportunity to share your talents, broaden your knowledge and help your community is here. Beginning May 1, the Ocean County Library will accept applications for the 2024 Service and Achievement in the Library (S.A.I.L.) program.

S.A.I.L is open to teens who are entering eighth grade and older. You’ll learn library functions, take part in projects, and develop your people skills. S.A.I.L. is a great way to earn community service hours and a terrific addition to your résumé or CV.

Positions are limited in number and will be filled on a first-come, first-served basis. Virtual options will be at the discretion of each branch teen services librarian. Please contact your local branch teen services librarian with your questions and concerns.

Applications at https://theoceancountylibrary.org/teens/SAIL go live at 9 AM Wednesday, May 1. To register, complete and submit the form by your local branch’s deadline. See all about it on YouTube.

Keep up with Library programs and events at www.theoceancountylibrary.org, and on Facebook, Instagram, X, YouTube, Spotify, and Pinterest.
